DETAILED ACTION

Allowable Subject Matter

1. **Claims 1-19** are allowed. The following is an examiner's statement of reasons for allowance: The prior art of record fails to sufficiently describe or suggest a vehicle gear-shift knob wherein an electronic enclosure is releasably attached to a hand-grasping section. Further, the electronics enclosure includes an electronics control circuit comprising a transmitting circuit, receiving circuit and an encoder. The transmitter for selectively producing RF output signals to energize specific vehicle elements. These along with other limitations set forth by the claims render the application allowable over the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
